Welcome to the Farm . . .

At Sunrise Farm, we pride ourselves on the highest quality, all-natural meats and eggs. We specialize in grass-fed beef, brown eggs, free-range chickens, farm-fresh turkey, and MSG-free pork products. And, our feeds are produced right here at our own mill and are free of genetic modification.

In addition to growing quality products, we strive to maintain an agricultural operation that brings the customer closer to the producer. It is our belief that customers have a basis for confidence in the quality of our products if they know who is responsible for them and where they come from.

When you buy from Sunrise Farm, you can feel good about feeding your family products that have no added drugs or hormones. And, you'll love the convenience of our self-service store. So, why not visit us today and take in the beauty of Virginia's Shenandoah Valley while you shop.

Our Guarantee . . .

- Naturally Grown Meats & Eggs.
